Buckeye Basketeers Down Cornell Quintet, 38 to 24

Boistered by a bevy of newly eligible sophomores, Ohio State handed Cornell a sound trouncing on the Coliseum floor Wednesday night before a crowd of 1800 fans.

The score was 38 to 24 and it just about indicated the relative basket ball ability of the two squads.

Ohio, with the diminutive Bobby Lively providing the spark of the attack, completely reversed the form it flashed against Pittsburgh in the opening game of the season 10 days ago and after the final few minutes

of the initial half until the finish the only question at issue was the number of points Ohio could tally.

The Ohio starting lineup of Ervin and Lively at forwards, Russell center and Fesler and Larkins at guards was entirely too speedy for Cornell after it finally began clicking.

However, it took 15 minutes of the first frame before the Scarlet and Gray squad could start functioning smoothly.

With five minutes to play before the intermission, Cornell was leading, 12 to 9. Then with Lively, Ervin and Russell whipping them in from every angle of the court, the Buckeyes clicked in 13 consecutive points and Cornell failed to add to its total, the half ending 22 to 12, with Ohio on the long end of the count.

Cornell braced at the start of the final period of play and counted three points on a basket and a foul by Hatkoff before Ohio got going. Fesler again started Ohio with his first basket of the game and Cornell was an also ran for the balance of the fray.

Judging by the brand of play he uncorked Wednesday night, Bobby Lively is the answer to Coach Harold Olsen's two-year search for a running mate to "Prexy" Ervin. The diminutive, black-haired former Dayton Stivers captain captivated the holiday crowd with his slashing, driving play and was roundly cheered when he was removed from the game near its close.

Ralston Russell, the lengthy boy from Pomeroy, O., was a power in the Buckeye offensive, controlling the tipoff consistently and scoring four times from beneath the net.

Fesler and Larkins played their usual hard guarding defensive ball and Fes also drove in for two short buckets.

Ervin after a slow start shook the jinx that followed him in the Pitt tilt and tied Lively and Russell for high point honors with nine tallies.

Ervin provided the impetus that swept Ohio into the lead near the close of the first half counting eight of the 13 points the Bucks scored in that wild spurt. Two of these were sensational bank shots from a difficult angle at the side of the court.

Hatkoff, stocky forward and Capt. Murphy, guard, provided most of Cornell's drive and played some classy basket ball for the Ithaca quintet.

Following the Cornell tilt Ohio will not see action again until Jan. 6 when the Scarlet and Gray performs at South Bend, opposing Notre Dame. The Bucks will open the Big Ten season here on Jan. 10 with Dr. Meanwell's Wisconsin five as the opposition.

NEWBOLD LEADS WAY IN NOTRE DAME WIN

Giant Forward Chalks Up 14 Points to Lead His Team in
 Scoring; Lively Tallies Eight Points for Ohio State;
 4500 Fans Watch Battle.

SOUTH BEND, Ind.—(AP)—Bill Newbold, a six-footer with a lot of speed and an accurate eye, came through with a dazzling exhibition of basket ball in the closing minutes of play to give Notre Dame a thrilling 27 to 24 victory over Ohio State Tuesday night.

The game, played before 4500 spectators, was a thriller from start to finish.

With but five minutes to play, Ohio State led the Irish 23 to 19. Then Newbold, Rushville, Indiana's contribution to the Notre Dame team, broke through to change defeat into victory. He scored three

field goals in quick succession. An Ohio State rally failed to overcome the margin of his scoring splurge.

Newbold also scored three other field goals and two free throws.

Notre Dame led almost all the way in the first half until the final minute when Hinchman hooked a field goal from the foul line to give Ohio State a 15 to 11 edge as the half ended. Notre Dame took the lead again at the start of the second half and held it until Lively scored a pair of field goals in succession to give his mates a 23 to 19 lead. Newbold then stepped into the picture and won the game.

Lively and Fesler Lead Scarlet and Gray to Initial Victory.

DEFENSIVE BATTLE

Olsen-Coached Quintet Sets Faster Pace in Final Half of Play.

BY CLARENCE YOUNG,
Sunday Journal Staff Writer.

Ohio State's defense proved superior to that of Wisconsin's in a defensive battle at the State Fair Grounds Coliseum Saturday night and the Buckeyes, after trailing for a short time at the outset, helped themselves to a rather surprising victory of 29-19 proportions over the iting Badgers.

The Scarlet and Gray courtiers, paced by little Bobby Lively and Wesley Fesler, coasted to the clean out and decisive triumph. Three baskets in a row by Fesler late in the first half enabled the Buckeyes

Wisconsin then snatched the advantage on a Chmielewski two-pointer and a free throw by Steen. Larkins' charity toss and Lively's basket put the Ohio Staters back in front again, 7 to 6. Then Fesler increased the Buckeyes' lead to 13-6 with three successive two-plays.

Shortly before the initial half ended, Toronowske, Nelson's substitute in the Wisconsin lineup, made a free throw to complete the scoring for the session.

At the start of the second half, Fesler continued his monopoly on the Ohio State scoring with a one-pointer and a basket. After four minutes of play, however, Mattison broke Fesler's string by tallying a long fielder.

During the remainder of the contest, Mattison made another basket, Lively two baskets and a free throw and Hinchman a pair of fielders.

The Wisconsin point-making in the last episode consisted of two baskets and two free throws by Paul and two fielders by Griswold and one by Nelson.

Johnny Paul, Wisconsin guard, was the visitors' outstanding player.

Mattison, who scored four bas-

kets, and Larkins of the Buckeyes, were ejected from the game in the second half via the foul route. The contest was the first Western Conference melee of the season for Ohio State while in Wisconsin's only other Big Ten game thus far during its present campaign, the Badgers nosed out Illinois.

Previous to the defeat at the hands of Ohio State, Wisconsin had been humbled only once this season. The Badgers lost a 16-14 verdict to Marquette.

Five thousand one hundred and seventy-five fans viewed the game.

HOOSIER FOUL SHOTS COSTS BUCKS VICTORY

Scarlet and Gray Quintet Outscores Foe From Field; Mattison and Hoffer Lead Olsenites in Season's First Big Ten Setback.

BLOOMINGTON, Ind.—(P)—Indiana defeated Ohio State 23 to 21 in a closely fought Western Conference basket ball game here Monday night. The Buckeyes, attempting to halt the fast under the basket offense of the Hoosiers, fouled frequently, and these penalties proved costly.

Outscored from the field, eight baskets to seven, the Indiana five gained its first Big Ten victory by its accuracy from the free-throw line. Three Ohio players were re-

ferred for personal fouls. Mattison and Hoffer led the Ohio State team in a dogged battle that kept the visitors constantly in the running. The score was knotted at 11-all at half time, and baskets by Fesler and Larkins at the start of the second period gave the Buckeyes a momentary lead for the first time. Indiana's winning points came a minute before the end on a field goal, and a free throw by Dauer.

The first 10 minutes of game was featured by close guarding, Indiana taking four to one lead from free-throw line after Mattison fouled Seeler under the basket. The Crimson forward made good on both tosses. The Hoosiers added another point when Fesler fouled Jasper, but Lively kept Ohio State in the running by retaliating on

Miller's personal. Miller scored the first field goal of game with close-up shot and Fesler raced in from the side for Buckeyes' initial two-pointer. Mattison tied the score with a difficult shot from the side shortly afterward.

Campbell put Indiana back into lead that Hinchman erased when Veller fouled him a moment later. Veller arched in field goal from midfloor and then again fouled Hinchman, who made one of two free tosses. Seeler boosted Indiana into lead to two points when fouled by Lively, but Mattison knotted the score, 11-all, at half time when he sank one from the back of foul circle.

Larkins sent Ohio State into the lead at beginning of second half

for the first time with a short field goal and Fesler followed with an under-basket shot that put Ohio State into lead by four points.

Dickey's follow-up shot was good for two points, and Seeler made one of two free throws when fouled by Mattison, who was ejected from game for fourth personal. Veller sank a nice shot from side that allowed Indiana to resume the lead. Hoffer, who replaced Mattison, retaliated for the Buckeyes, but Miller and Dickey put Indiana ahead 20 to 17 with field goal apiece.

Hoffer narrowed the margin with another field goal, and put Ohio State back in the lead by batting in a follow-up shot. Larkins committed his fourth personal when he fouled Dickey, but the Hoosier forward missed free throw. Dauer replaced Miller for Indiana and put the Crimson in the lead with close-up shot after fast dribble. Indiana started to stall, but a bad pass put the ball out of bounds. Lively fouled Dauer on play, and he made one free throw. The game ended shortly afterwards.

Ohio reserves won afternoon game, 29 to 22.

WES FESLER SHIFTED

Ohio State's Victory Marks
First Over Wolverines
Since 1926.

BY CLARENCE YOUNG,
Sunday Journal Staff Writer.

In a you-foul-me and I'll-foul-you basket ball game, Ohio State won from its ancient and honorable rival, Michigan, by a score of 22 to 16 on the State Fair Grounds Coliseum floor Saturday night. A crowd of 6192 fans, the largest to see the Buckeyes in action this season, saw the game.

The contest was a rough and tumble battle of basket ball, with the unpolished Michigan quintet being the rougher of the two combatants. Only during a brief period shortly before the first half ended was Michigan on the long end of the count.

After being in front, 15 to 10, at the intermission, Ohio State increased its lead to 22-12 at the four minutes to play post and then froze the ball whenever possible to chalk up the first Buckeye victory in basket ball over Michigan since 1926.

Wesley Fesler jumped center for the Scarlet and Gray quintet and was assigned the task of guarding Norman Daniels, Michigan tipper and keyman. In the first half, Daniels, playing just in front of the Wolverine basket, pivoted around Fesler for numerous shots, many of them from difficult positions, but connected with the basket only once.

Howard Mattison, the regular Buckeye center, although in uniform did not play, owing to an injured hand.

Ray Altenhof, Wolverine guard, was high pointer with two baskets and three free throws.

Joe Hoffer, inserted into the Ohio State lineup at guard, was second

Continued on Second Page.

BUCKEYES BEAT MICHIGAN, 22-16

Continued from First Page.

to Altenhof, scoring three fielders. Hoffer played a nice game for the Buckeyes and his three baskets were of the long variety.

Larkins, who scored five points, also scintillated at guard as running mate to Hoffer.

The Buckeyes grabbed a two-point lead at the outset. Fesler and Larkins came through with free throws after being fouled by Williamson and Daniels, respectively, to place the Buckeyes in front. Weiss' basket knotted the count but one of Hoffer's three two-players gave Ohio State a 4-2 advantage. Then, another basket by Weiss tied the score.

At this stage, Larkins manipulated the most sparkling play of the game. He intercepted a long pass from Petrie and dribbled unmolested more than half the length of the floor for a successful pot shot.

Michigan spurted and took the lead with a Williamson free throw and a basket by Altenhof. Larkins' fielder followed and then came Daniels' lone basket and a free throw by Altenhof, the visitors regaining the advantage, 10 to 8.

Ohio State held its opponents scoreless throughout the remainder of the session while fielders by Hinchman, Hoffer and Lively and a free throw by Fesler gave Ohio State a 15-10 lead at the half.

Harold Ervin, on the bench in the first half, substituted for Lively early in the second period and came through with two baskets. Other last half Ohio State points were the result of Hoffer's final fielder and a free throw by Fesler.

Michigan's scoring efforts in the second canto netted only a basket and two free throws by Altenhof and a two-pointer by Shaw, who supplanted Acting Captain Weiss.

A total of 22 fouls was called but as many more, apparently went unnoticed by the officials. Ohio State was guilty of 13 infractions while Michigan was guilty of nine. Lew Hinchman, Buckeye forward, was sent to the sidelines with six minutes to play, four fouls having been called on him.

Michigan, held to six baskets, made good on only four out of 14 free throw attempts. Ohio State garnered nine fielders and capitalized upon four of 10 charity throws.

Ohio State's next game is with Northwestern at Evanston, Ill., Saturday. In the Buckeyes' next contest at the Coliseum, they will entertain Army Saturday, Jan. 31.

Visitors Take Advantage of Many Fouls Called on Buckeyes.

RIEL BREAKS BASKET

Fesler Heads Attack in Attempt to Stop Undeated Leaders.

EVANSTON, Ill. — (P) — Northwestern took undisputed possession of first place in the Big Ten basketball championship race Saturday night by defeating Ohio State, 35 to 22, while Chicago, the only other undefeated team in the Conference heretofore, received a setback by Michigan.

Northwestern, atop the race with four straight victories and no defeats, beat their rivals during a rough second half. Going into the last half with a lead of 14 to 12, the Wildcats immediately jumped into a comfortable lead and held it the rest of the way. Joe Rieff, husky Wildcat forward, led his mates with three field goals and four free throws. In the hard-fought second half, Northwestern took great advantage on the many fouls called on the Buckeyes, cashing in with nine charity tosses.

The first half was a nip and tuck affair with the lead alternating almost every minute while the crowd of 5000 spectators roared with the thrills.

Marshall, Northwestern guard, started the scoring after the first minute of play when he tallied a field goal on a pretty tip-in shot. Riel gave the Wildcats a three-point lead a minute later, after Ohio State had missed several shots by a breath-taking margin, by flipping in a free toss. Ervin looped a nice field goal from the side after slipping away from two guards to give Ohio State its first score.

Rieff pushed the Wildcats two points ahead again a few seconds later, however, by connecting with a free throw. Fesler then broke

Continued from First Page.

loose on a pretty thrust down the floor and evened the count with a goal that didn't even touch the net. From that time on until the last five seconds the lead changed hands repeatedly with neither side having more than a two-point margin at any time.

Ohio State stopped Rieff after that but Marshall broke in with two more field goals, Riel with two more free throws and McCarnes with another field goal while Ervin, Hinchman, Fesler and Larkins kept sinking points for Ohio State.

With five seconds to travel before the end of the first half and with the score knotted at 12 all, Riel shot a desperate one from the middle of the floor. The ball scored a field goal to give Northwestern a 14 to 12 lead but in doing so broke the basket. Officials hurriedly sent out an SOS call for a new basket but the game was delayed.

It took 25 minutes over the regulation 20-minute rest period for the officials to replace the broken basket.

The long rest seemed to steam up the Wildcats as they started in to work with a rush. Smith started with a free toss, Rieff looped a field goal and Smith landed another charity toss to give Northwestern an 18 to 12 lead.

Fesler stopped the march with a pretty side toss for a field goal only to have Northwestern run up another five points before they could be halted again on a field goal by McCarnes. A three free throws, one by Smith and two by Riel. During the lull, Hinchman scored a free throw but Rieff countered it.

Then Fesler snapped in another, Rieff tallied two more free throws and Hinchman scored a long field goal to bring the score 26 to 19 in favor of Northwestern. The Wildcats then ran up five more points while holding its opponent scoreless. Ohio State came back with a field goal by lively but Rieff stopped that with two quick field goals just as the game ended.

Fesler was the best score maker for Ohio State as usual, caging four field goals for eight points. He was the only man the Wildcats were unable to stop consistently during the second half when they drew away.

The defeat, while lifting Northwestern's title hopes to a new peak, smashed the bottom out of Ohio State's chances to win the championship. It was Ohio State's second defeat in four starts and two defeats with a team like Northwestern in the race is a big handicap to overcome for any team.

Northwestern's bigger team seemingly wore down their lighter opponents during the second half, especially Rieff who pivoted away from his guards to score three field goals and three free throws during the half. Ohio State, eager to stop the Wildcat forwards, played a rough game unwittingly and were penalized the limit.

The summary:

Northwestern	B.	F.	P.	T.

COURT CONTEST CLOSE IN OPENING STANZAS

Wolverines Own 15-10 Lead at Half; Daniels Scores 12
Points to Capture Individual Point Honors; Mattison
Leads Buckeyes With Five Markers.

ANN ARBOR, Mich. — (P) — Ohio State gave Michigan a battle in the first half of the return game here Monday night, but in the second half the smooth working Michigan passing began functioning and the Wolverines won, 40 to 22.

Ohio attempted a new stunt in attempting to stop the star Michigan guards well down the floor. Lively and Hinchman gave Altenhof and Williamson a lot of trouble in the back court territory for a time. In the second half the Michigan forward line stepped farther out and this opened holes in the Ohio defense for Weiss, Daniels and Altenhof to shoot baskets.

Lively opened the game with a set-up under the basket. The quick shift of Lively and Fesler confused

Michigan and the little forward stood under the basket for a long time before even his teammates realized he was not mulling under the Michigan basket. A long pass ended in a score.

Michigan tied the count and Hinchman made it four-all with a long shot. Eveland used his dexterity to advantage for a basket but Fesler let loose of the ball near the center circle and the score was six-all. Hoffer made another long one to give Ohio State a lead but Daniels countered for his only basket of the first half and the score was tied for the last time with eight points apiece.

Altenhof made three foul points and Eveland, who enjoyed a night to which his cleverness entitled him, made two baskets to close Michigan's scoring for the half at 15 points. Hinchman made two free throws, increasing the Buckeye total to 10.

Lively started the second half with two foul points and then Weiss, Altenhof, Eveland and Daniels took command to score 19 points while Ohio was making four. The Michigan defense was so good throughout the second period that Ervin and Mattison were the only visitors to score from the floor, Ervin taking the ball close in and Mattison hitting the hoop from well out on his two attempts.

Fesler and Daniels had a battle royal for a part of the game, each having a single basket when the first half ended. In the second half, with Weiss feeding him the ball, Daniels had a period when he could not miss, although he made none of the one-handed pivot shots which have made him famous.

Altenhof and Lively also battled for a long time before the fouls of the diminutive forward made him cautious and the big guard charged down the middle of the floor for the points he did not get from the foul line.

Both teams were poor in making points on penalty shots. The Buckeyes missed eight, most of them in the opening minutes, when they counted heavily on morale. Michigan missed a total of 10, part of these by substitutes late in the game.

When Michigan sent in its second team, with five minutes to play, Coach Harold Olsen of the Buckeyes also sent in a new aggregation, Gardiner and Russell being the lone Buckeyes who failed to score.

Ohio State Bows to Cadets, 40-29

Army Quintet Routs Buckeyes to Even Matters for Smarting Defeat of Last Season; Stecker's Individual Point Record Overshadows Fesler's.

WEST POINT, N. Y. — (AP) — Army routed the Ohio State basketball team here Saturday afternoon in a hard-fought game by the score of 40 to 29, evening matters for the smarting defeat suffered when the Cadets invaded Columbus a year ago.

Incidentally, the game brought together Wes Fesler, Ohio State's All-American football star and Ray Stecker, the Army's gridiron ace, and the honors of this meeting were all Steckers, for he outscored Fesler six goals to three, and came out on top in several encounters.

Army played a sterling game from whistle to whistle and aside from a little unsteadiness in the

opening minutes when it was unable to find the basket, the Cadets were never pressed.

Ohio State drew first blood and ran up a score of 5 to 0 before the Army got its sights adjusted, but after that the Soldiers had everything their own way. They guarded with such zeal that Ohio State was able to score only one goal from the field in the entire first period, while the Cadets dropped in eight.

Six of the Buckeyes eight points in this period were scored on shots from the foul line. The half ended with the Army leading, 19 to 8.

Ohio State held its own in the closing half when Fesler began to find himself and scored three goals from the field to top the Buckeyes' individual point making. Ervin, whose clever dribbling bothered the Army guards throughout the game, obtained a pair of goals and Russell, who was substitute at center in the final minutes of the struggle, also found the basket twice.

Both teams played virtually the same type of game although Ohio State dribbled and passed much closer to the floor than the Army. Army team is in the habit of doing. Because of the closeness with which both teams guarded the number of fouls called was unusually large and Ohio State profited somewhat as a result, outscoring the cadets from the foul line, 9 to 6.

LIONS CLOSE STRONG TO TUMBLE BUCKEYES

Lou Bender Shoots Winning Bucket in Last 15 Seconds of Play; Ervin and Hinchman Garner 25 Points Between Them to Lead in Scoring.

NEW YORK.—(P)—Basket ball as played in the Western Conference and eastern collegiate circles clashed here Monday night with Columbia eking out a 30 to 29 decision over Ohio State.

A field goal in the last 15 seconds of play by Lou Bender, Columbia sharpshooter, terminated a game that saw the Lions come from behind with a brilliant burst of basket shooting in the final five minutes.

With Irvin and Hinchman leading the attack and Wesley Fesler, All-American football end holding Bender scoreless, the Western Conference five piled a 15 to 10 lead at the half. A short passing attack coupled with a beautiful pivoting game kept the westerners out in front until a minute and 35 seconds remained to be played. Meantime the Lions had been slowly cutting down the advantage and trailed by only one point, 25 to 24, when Hinchman was forced out of the game with an injured knee.

Letting loose with all the power that carried them to the eastern

intercollegiate championship last year the Lions quickly went into the lead, Jones and Bender dropping the ball through the loop from far down the floor.

With Fesler figuring in every play, Ohio was right back with two field goals by Irvin, and a one-point lead with only seconds to play. Then came Bender's winning goal, a set-up from directly under the goal.

FESLER IS OFFENSIVE STAR FOR OHIO STATE

Maroons Margin of Victory Comes After Final Whistle
Sounds; 3333 Fans Watch Battle; Yates in Lead-
ing Role for Windy City Quintet.

Those basket ball games that are won after the final gun has cracked are seldom heard of and are seen about once in a lifetime.

However, 3333 basket ball fans who thronged the State Fair Grounds Coliseum Monday night saw Chicago defeat Ohio State in just that manner. The score was 26 to 25.

With Ohio leading by a score of 25 to 23 and only seconds remaining to play, Ashley, diminutive guard of the Maroon quintet, drove down the

mate at guard, Marshall Fish, and despite a foul by Joe Hoffer, Scarlet and Gray guard, tossed in the tying basket on a short attempt.

As Ashley turned from the basket and before the ball had touched the floor, the gun cracked ending the game. Umpire George Levis of Wisconsin called the foul on Hoffer and while the crowd howled its displeasure Ashley stepped to the foul line and dropped in the point that won the game for Chicago.

He was immediately swamped by jubilant team mates.

Ohio opened the contest fast and carried the battle right to Chicago, running up a lead of 6-1.

Fesler started it off with the first of his seven baskets, a pretty off-balance shot from near the foul line. Fish countered with a foul and then Fesler clicked in another one from the side. Hoffer followed quickly with a pretty one from the foul line to make the count 6-1. Ashley dropped in a free throw for Chicago and Fish followed immediately with a pot shot from under the basket, making the count 6-4, Ohio State.

Fesler clicked in his third and final basket of the half from well out in the floor but Yates got those points back for the Maroons when he dropped in two fouls. Ervin slipped away from his guard for a short basket and when fouled on the attempt made the point and Ohio led 11-6.

With seven minutes of play remaining in the half Chicago rallied

for seven straight points on two fouls by Parsons, a basket by Yates, a charity toss by Stephenson and the closing bucket of the half by Fish, a medium long toss from the field.

The half ended 13-11 Chicago.

Yates opened the scoring in the second half by dropping in a foul after Ohio had missed two setups under the bucket. Hoffer tallied a two-pointer for Ohio, making the score 13-14 Chicago but Fish's basket made it 16-13. Fesler connected from the field but Fish retaliated, making it 18-15 Chicago.

Mattison tallied a foul and Yates came back for a basket for Chicago to give the Midwayites a four-point lead. Then Fesler rapped in another and immediately Mattison tied the score with a long one from the side. There were nine minutes of play left as Chicago took time out.

Ohio was driving the ball furiously into the Chicago defense and Fesler counted two sensational strippers to place Ohio out in front, 24-20.

Stephenson stopped the Ohio rally with a short bucket and with time fleeting Parsons dropped a foul, making the score 24-23, Ohio.

Ervin made a foul to give Ohio a two-point lead and Ohio froze the ball with less than a minute to play. Ervin slipped away from his guard and took a pass directly beneath the basket and it looked like a cinch basket but the blond Ohio forward fumbled the ball which was poorly thrown and finally let it dribble out of bounds.

Chicago took it and drove down the floor and despite the desperate Ohio defense slipped Ashley through for the tying bucket and the foul that won the game.

Wes Fesler again stood out in Ohio's play. Playing forward for the first time in his career the Buckeye floor captain really cut loose and hit the hoop for seven baskets to lead both teams in scoring.

Hoffer and Larkins contributed nice play at the guards while Ervin was an integral part of the Buck passing game.

Yates, forward, and Fish, guard, stood out in the Chicago play.

Minnesota Beats Ohio State, 22-21

Buckeye Quintet, Again, Has Bad Luck by Dropping One-Point Basket Ball Battle to Gophers; Scarlet and Gray Falters in Final Seconds.

Ill fortune continues to dog the footsteps of the Ohio State basket ball team.

After dropping a thrilling encounter to Chicago last Monday night by one point scored after the gun had sounded, the Buckeyes were forced to accept defeat again Saturday night by a like margin at the hands of Minnesota.

The final score was 22 to 21 and like the tilt with Chicago, the Buckeyes saw it go glimmering in the final few seconds of play, when Junius Ferrall, who had replaced Dick Larkins at guard, failed to make the second of two free throws after he had dropped in the first to make the count 22 to 21.

A few final desperate shots and the gun cracked with Minnesota stalling for time.

Minnesota's smooth working quintet led the Buckeyes throughout and after running up an early lead held it tenaciously. The Gophers displayed the neatest passing game that has shown on the Coliseum floor this season and every basket made by the Gophers but one was tossed from within the foul circle.

Ohio was forced to a longer shooting game by the tauntly woven Gopher defense but the Buckeyes dropped them in with regularity in the second half after

missing innumerable attempts in first half.

Minnesota ran up nine straight points on Ohio at the start of the game. Schoening started it with a short one from the foul circle and Cielusak slipped away from Fesler for his first and only basket of the game, being blanked with only two shots thereafter. Schoening came back for another, a one-handeder from a difficult angle and Licht dropped in a medium long one and added a foul a moment later to make the score Minnesota 9, Ohio State 0.

Ohio had missed several short heaves and Fesler taking the ball in mid-floor sent a rousing shot swirling into the net for the first Ohio score. Russell followed by making a free throw attempt and Mattison cashed in on a pair of charity tries making it 9-5 Minnesota.

However with the half near its close, Licht stopped the Ohio rally with a short basket and Loose whipped in a long one just before the gun making the count at half time 13-5 in favor of the Gophers.

Russell opened the second half immediately after the tipoff by dropping in a short attempt and after Bondy had retaliated by battling one in, Fesler cracked an

Continued on Second Page.

other long one. Russell followed suit making the score 15-11 Minnesota and the harassed Gophers called time to consider the situation.

Play was resumed and Brown made a free throw, but Nordgaard who had replaced Bondy at center, made a free throw, Robinson scored another and Schoening counted another short basket to make the count 19-12.

Fesler was fouled by Cielusak as he shot and was cashed in on both attempts. Bobby Lively replaced Brown at forward for Ohio, Brown having previously taken Ervin's place. Bobby immediately swished in a fielder, but Minnesota ran the count to 22 to 16 on a basket by Engebretsen who had replaced Licht, and a free throw by Robin son.

Lively made a beautiful shot from the side to run Ohio's total to 18 and Fesler counted a short one to make it 22-20 Minnesota. With less than a minute of play left Ferrall intercepted a Gopher pass and with a clear floor ahead it looked like a tied score. Ferrall was too deliberate on his dribble however and Licht came from nowhere to spill him as he shot the ball. Ferrall missed the shot and with an opportunity to tie the count missed his second try and Ohio's last good opportunity went fleeting.

The box score:

BADGER'S FOUL SHOTS PROVIDE WIN MARGIN

Unerring Accuracy From Free-Throw Line by Meanwell-Coached Teams Overcomes Buckeye's Advantage in Field Goals.

MADISON, Wis.—(AP)—Wisconsin's victor-starved basket ball team staved off a terrific Ohio State rally here Monday night to defeat the Buckeyes 28 to 24.

Unerring accuracy from the free-throw line was the margin of the Badger victory, with Wisconsin making 11 straight before missing. This enabled the Badgers to build up a 13 to 7 lead at the half on a pair of field goals, and climb to 23 to 9 before the Buckeyes staged their terrific rally.

Held goalless after the first minute of play when Russell and Mattison netted a pair from the field, Ohio State put on the steam in the last 11 minutes, and brought the

count to 27 to 24. A Wisconsin stall in the last minute and Poser's free throw on Mattison's foul gave the Badgers victory.

Clever out-of-bounds plays of Buckeyes brought on their rally. On five occasions, twice by Ervin, once by Fesler, twice by Mattison, Ohio caged ball from these plays. Wisconsin played strong defensive, content to shoot from long range, and then fall back to stop Ohio's plays when shots failed. Rangy Buckeyes were called frequently for rules violations, and Badgers peppered ball from free throw line to court on 16 of 18 tries.

Ray Wickman, sophomore center for Wisconsin, was removed from game on personal fouls late in first half, and his loss cost Wisconsin what little height assistance it had. Inman, a player seeing his first action, played well, dropping in a field goal and three toss.

After Ohio built up a 4 to 0 lead in the first minute on goals by Russell and Mattison, Badgers dropped in nine free throws to go ahead and never were headed, being in front, 23 to 9, when Ohio State put on its big spurt.

OHIO IS BEATEN, 32 TO 18

Wildcats Have Little Trouble Turning Back Threat Of Buckeyes.

By ALVIN ROSENSWEET

NORTHWESTERN won the basketball championship of the Western conference Saturday night by defeating Ohio State 32 to 18 at the fairgrounds coliseum.

By far the best of the Big Ten squads that have appeared this season, the Wildcats twisted the Buckeyes around their collective fingers with a brilliant exhibition of passing, dribbling and defensive play.

Ohio State never had a chance for victory. For the first ten minutes of the game Northwestern was held to five points, but it broke loose in the remainder of the opening half to gain a lead of 18 to 5 when the whistle blew. Ohio made only two field goals in the first half, failing to score until Fesler scored a bat-in shot after 12 minutes of play.

The Olsennmen started their perennial rally as the second period got under way, running the score to 20 to 13, but there the over-confident

purple five came down to earth and polished off their opponents with a finesse that made the Buckeyes appear as amateurs.

With their Riel-Reiff forward combination scoring most of the points, the Wildcats renewed their attack on the Ohio basket and simultaneously checked the spasmodic scoring efforts of the Bucks. Bob Lively went out of the game on fouls towards the close of the game, and Coach Olsen sent in a lineup of sophomores to finish the hopelessly-lost game.

The Wildcats looked like championship material. They showed a high-scoring forward in sophomore Joe Reiff, and a brilliant dribbler in Joe Riel, who ranks close to Purdue's Johnny Wooden in ball-handling. Their guarding, except for a momentary letup early the second half, had the Ohio defense utterly stopped. They had little difficulty in taking the ball away from the Bucks and their offense broke swiftly and surely.

Only Fesler was able to break through the Purple defense with any measure of success, scoring three times from the floor. Joe Hoffer played a hard game at guard and Bob Lively at forward warmed up the Scarlet and Grey when he was inserted into the lineup in the first half.

A crowd of 4443 persons saw the game.

Expected to drop the decision in a most convincing manner, Ohio State's basket ball team broke its losing streak of eight games by kicking over the dope bucket and trouncing Indiana, 31 to 15, at the State Fair grounds Coliseum Monday night. The contest marked the final home appearance of the 1931 Buckeye quintet.

Although a glance at the Western Conference standing reveals information to the contrary, Ohio State was vastly superior to its Hoosier foes. On the other hand, with all due respects to the alert and fight-

ing Buckeyes, the visitors appeared to be probably the weakest team to represent the Bloomington school on the hard court in years. Basing opinion on their Monday evening appearance, the Indiana courtiers can be labeled no better than mediocre Big Tenners at the best.

Joe Zeller, hard fighting Indiana forward, was the high scorer of the game with 12 points, four baskets and as many free throws. Zeller, a Hoosier guard in football, has a tendency to display his gridiron prowess on the basket ball court with more or less success.

Mattison and Ervin divided the Buckeyes' point laurels, each registering nine markers. Hoffer, Scarlet and Gray guard, was sent to the bench late in the second half, for having committed a quartet of personal fouls.

Ohio State was in front, 13 to 5, at the half. The Buckeyes snatched a 3 to 0 lead early in the game on Mattison's free throw and Ervin's basket but Zeller came through with a fielder and foul to knot the count, 3 to 3, when six minutes of the battle were history.

Then a long shot by Fesler gave the Buckeyes a lead that they never relinquished. Rather, they increased the advantage as the game progressed.

The remainder of the Hoosiers' initial half scoring was confined to a Zeller basket. For Ohio State, Hoffer, Larkins and Mattison chalked up a two-pointer apiece and Ervin and Fesler a free throw each ere the gun ending the session sounded.

In the second episode, Ervin contributed three baskets, Mattison two fielders and a pair of free throws and Larkins, Hoffer and Lively a two-plyer each to the Buckeye cause while Zeller was tallying two fielders and three free throws, Campbell a basket and Blagrove a charity toss for the visitors.

Three members of the Scarlet and Gray aggregation—Fesler, Larkins and Ervin—were playing their last home basket ball game in Ohio State togery before the crowd of 3073 customers, cash and otherwise. Fesler, Larkins and Ervin are to be lost through graduation.

The game was more interesting than told by the final score. From the time Fesler's basket in the first half placed Ohio State into the lead on the second occasion, until almost the middle of the last half, the Indianans, though trailing, were always close enough behind to be considered dangerous.

Ohio State lost to Indiana at Bloomington in a Big Ten opener. The Buckeyes, whose losing streak consists of a duo of losses to Northwestern and one each to Michigan, Chicago, Minnesota, Wisconsin, Columbia and Army, will play the Maroons in the Windy City Saturday night and then will lower the curtain on the season by meeting Minnesota at Minneapolis, Mar. 9.

Previous to the victory over Indiana, Ohio State had not won a basket ball game since Jan. 17, when Michigan was defeated here. The Buckeyes now have won three out of 10 Western Conference games this season. Indiana has annexed five victories in 11 attempts.

Ohio State Reserves nosed out the Indiana second-stringers, 32 to 31, in a game played following the main attraction, a basket by Herb Brown enabling the Scarlet and Gray second-stringers to triumph. On Brown's game winning attempt, the ball was in the air as the final gun cracked.

Ohio Cage Crew Loses

Fesler Held Scoreless As
Buckeyes Bow to Chicago
Quintet, 31 to 22.

CHICAGO, MARCH 7.—(AP)—Chicago jumped from a tie for ninth into exclusive possession of seventh position in the Big Ten basketball standings tonight by defeating Ohio State 31 to 22.

The Maroons took the lead at the start and built up a six-point margin by the end of the first half. Sidney Yates led the Chicago attacks with 11 points while Ervin and Mattison scored six each for the Buckeyes. Wegley Fesler, Ohio's big punch, was held scoreless for the first time of the season in a conference game. The victory was Chicago's fourth in 11 games, with Ohio suffering its eighth setback in the same number of starts.

Bucks Lose to Gophers

Minnesota in 31 to 24 Vic-
tory Over Ohio State
Court Team.

MINNEAPOLIS, Minn.—(P)—Min-
nesota Monday night became a
shareholder in second place in the
Big Ten basket ball campaign by
dealing defeat to Ohio State, 31 to
24, in a rough contest.

It was the Gophers' last game
and eighth triumph in 12 engage-
ments, but came only after the Ma-
roon and Gold replied to a threat-
ening sally by the Buckeyes, who
rose suddenly at the start of the
second half to cut down a wide
Minnesota margin.

The introduction of reserves as
the second period opened threw the
Gopher quintet off balance, and the
17 to 8 lead at the intermission
quickly vanished when the Buck-
eyes tossed in four successive field
goals.

Answering this, Minnesota sent
back its regular outfit and after a
brisk sortie marred by illegal tac-
tics, with Ohio State for main of-
fender, returned to a more comfort-
able advantage and picked up fur-
ther points to win. The lineup:
