OHIO STATE TRIMS HARVARD, 38 TO 13

Easterners No Match for
Sharpshooting Buckeyes;
Win Is Ohio's Fourth.

COLUMBUS, O., Jan. 1.—(AP).—Ohio State university's basketball team won its fourth straight victory of the season here tonight, defeating the weak Harvard quintet, 38 to 13. The Easterners failed to threaten at any stage of the game.

Ohio State built up an early 14 to 5 lead and Coach Harold G. Olsen threw his second team on the floor. The substitutes made it 24 to 7 at the half.

Ohio's third team started the second half and Harvard ran its total to 13 before Ohio scored again.

A mixture of first and second string Buckeyes then went in and boosted the Ohio score to 38.

BUCKS LOSE 5-POINT LEAD IN LAST PERIOD

Indiana, Wisconsin and
Illinois Win Other Con-
tests in Big Ten.

COLUMBUS, O., Jan. 6.—
(AP)—Purdue's rangy bas-
ketball team handed Ohio
State university its first de-
feat of the Big Ten season to-
night, 36 to 27. The Boiler-
makers came from behind in
the last half to win.

Ohio State had a 24-to-19
lead about half way in the
final period, when Coach
Ward Lambert tossed Glenn
Downey, substitute guard,
into the game.

Downey scored four field goals
in the closing minutes to put
Purdue out in front. Purdue's
ability to gain the tip-off and se-
cure the ball off the backboard
provided the margin of victory.

The Boilermaker team averaged
several inches in height over the
Buckeye midgets. Bob Kessler,
Purdue forward, second high
scorer in the Big Ten last year,
led the scoring with 10 points.

Ohio Leads at Half.
Half time score was Ohio State
16, Purdue 15.

A crowd of 9,554 witnessed the
game, it was the largest crowd
in years at a Ohio State game.

Ohio State had almost as many
shots at the basket as Purdue
but the sterling Boilermaker de-
fense forced the Bucks to shoot
from far out on the court.

Ohio made nine out of 39 at-
tempts from the floor, while Pur-
due scored 16 of 41.

Kessler kept the Boilermakers
in the game in the first half with
four field goals, but was held to
a lone tally in the second period
by Raudabaugh, Ohio guard.

Purdue used two guards to stop

Warren Whitlinger, Ohio captain
and forward, who finished third in
the 1935 Big Ten scoring race.

Late Rally Fails To Turn Tide For Bucks

Van Ysseldyk Cinches Game for Hawks by Dribbling Down Floor for Decisive Basket in Last Five Seconds Of Play; Ohio Held to One Goal in First Half.

IOWA CITY, IOWA, JAN. 11.—The Iowa basket-ball team stopped a great Ohio State comeback in the last half here tonight, when Joe Van Ysseldyk, Hawkeye guard, dribbled in for the deciding basket to give the Old Gold five a thrilling 25 to 23 victory.

Leading 22 to 13 with only five minutes to play, Iowa's defense lapsed and the Buckeyes started hitting, with Busich adding two buckets and Thomas one to tie the score after Captain Whitlinger had opened the rally with two free throws.

Decides Issue

It was then that Van Ysseldyk, with only five seconds remaining, dribbled the length of the floor to toss one in and put the game on ice for the Hawkeyes. The victory over the Buckeyes gave the Old Gold five an undefeated slate in the Big Ten.

Holding the Buckeyes to one field goal, the Hawkeyes led at the half, 12 to 5. Rosenthal, Iowa's shifty forward, opened the scoring when he tossed in a free throw to put the Iowa boys in the lead they failed to relinquish.

Van Ysseldyk then followed with a bucket from the clear and Drees and Barko added a free throw and a goal to put the score to 6 to 0. Captain Whitlinger then scored for the Buckeyes when he made good a free throw and Thomas followed suit with another charity toss.

Drees and Barko then scored baskets to put the Hawkeyes in the lead 10 to 2.

Busich Connects

After Thomas had added a free throw for the Buckeyes and De Heer, Iowa's lanky reserve center, had made good on a charity toss, Busich, substitute for Raudabaugh at guard, scored the first Ohio State field goal when he scored a bucket from under the basket. The gun ended the scoring 50 seconds later, after Iowa had caged another free throw and the Hawkeyes went to the dressing room with a 7-point lead.

Rosenthal's floor work and Suesen's defense was easily outstanding of the Iowa five, while Thomas looked good for the Buckeyes.

Coming out for the second half, the Hawkeyes continued with their winning ways and ran the count to 19 to 7 after Whitlinger made good on two free throws. It was then that the Buckeye offense started to click and Whitlinger and Crow drove in under the basket for a pair of buckets to put the score at 19 to 11. Rosenthal then scored and Whitlinger retaliated with another basket to put the count at 21 to 13.

Thomas Ties Score

Thrilling the crowd of 8000 Busich and Dye added their contributions and the score went to 22 to 21 in favor of the Hawkeyes. Captain Barko then scored on a free throw, but Thomas added another bucket to tie the score at 23 to 23. With only a few seconds left, Van Ysseldyk ended a well played game with a beautiful dribble in shot from the foul circle.

The entire Ohio State team played good ball, but their shots just weren't dropping and this handicap proved too much for them. Captain Whitlinger and Thomas played excellent floor games, while Dye was the stand-out on defense.

For Iowa, Rosenthal was easily the outstanding player on the floor, both on defense and offense.

SCARLET DEFENSE FEATURE

Buckeyes Make Good on Foul Line to Gain Second Victory.

CHAMPAIGN, Ill., Jan. 13. —(AP)—A tight defense and superiority from the free throw line gave Ohio State an 18-to-13 upset victory over Illinois tonight in a rough, ragged Big Ten basket ball game.

Only Howie Penham, Illinois substitute forward, was able to elude Ohio State's guards, Jack Raudebaugh and Tippy Dye, for goals from the field, connecting for all four of his team's baskets.

Dye not only played a big part in halting Illinois' offense, but found time to score six points, tops for Ohio State. Warren Whitlinger, leading scorer of the conference, produced five points for the Buckeyes.

Ohio State made good on six out of nine free throw opportunities, while Illinois cashed in on only five out of 16 attempts. The outcome left both teams with two victories and two defeats for the season.

Crowd of 7439 Sees Buckeye Avenue Defeat

Captain Whitlinger Leads Attack With 11 Points,

A TERRIFIC spurt midway of the second half which saw three baskets go spinning through the net in exactly 20 seconds, enabled Ohio State to jump into a commanding lead and administer a 34 to 26 defeat to Iowa in a Western conference basket-ball game at the fairgrounds coliseum, Saturday night.

A crowd of 7439 saw the Buckeyes gain revenge for a two-point defeat suffered at Iowa City a week ago and pass the Hawks in the conference race. They did not gain third place, however, because Northwestern moved ahead of the Bucks by defeating Illinois. It was Ohio State's third victory in five Big Ten starts and Iowa's second defeat in four games.

Up until the Bucks staged their drive, the contest had been a nip and tuck battle, with first one team and then the other controlling the situation. Going into the second half with a 14-13 lead, Iowa raised its ante to 16 on a fielder by Van Ysseldyk but a rebound shot by Thomas, a leaping push shot from near the foul line by Tippy Dye, a two-pointer from the side by Raudabaugh and another basket counted by Thomas when he tapped in a jump ball, gave Ohio a 21-16 margin.

Make Last Bid

At this juncture Iowa made its last bid and tied the score on a pair of long shots by Barko and Van Ysseldyk's free throw. Ohio took time out to talk it over and it was at this juncture, with seven minutes and 20 seconds remaining that the Bucks went to town.

Whitlinger, who led the scorers with 11 points, first popped one in from the foul line and then banged home a push shot. Thomas dribbled in for another basket and the Bucks ran their count to 32 on a free throw by Raudabaugh, two more by Whitlinger and a basket by McDonald before Iowa counted again on Walsh's charity. By this time the issue was fairly well settled but Thomas added another basket just to make it certain.

Thereafter, the floor was flooded with substitutes and in the remaining skirmishing the Hawks picked up four more useless points.

Outstanding Performance

Thomas, Raudabaugh and Dye played outstanding ball for Ohio State particularly on the defense in which they excelled at intercepting Iowa passes. For the Hawks, the work of Suesens at guard was consistently good as was that of Van Ysseldyk.

Ohio connected on 14 baskets out of 65 shots while Iowa had but 50 shots at the net work, collecting dividends on nine of them.

Thanks to a pair of free throws by Dye and baskets by Thomas and Whitlinger, both from difficult angles, the Bucks hopped into a 6 to 0 lead at the outset but the Hawks soon started unhurriedly to whittle this down and led the

home guard 14-13 at the intermission.

While Suesens was giving a capable demonstration of guarding Whitlinger, his mates started driving through the Buckeye defensive for telling points. Even so they did not catch up until late in the period when a basket by Van Ysseldyk, who counted the winning points for Iowa last Saturday at Iowa City, enabled them to nudge their way to the front.

Take Six-Point Lead

After Ohio's initial six-point spree, Rosenthal counted Iowa's first point on a free throw and Drees crashed in with two baskets, one a push shot and the other a rebound.

Ohio's count was extended to 11 when Whitlinger collected a free throw and a long basket from the side with a tip-up by Dye sandwiched in but Iowa kept in the running when Van Ysseldyk was fouled by Thomas while scoring a basket and made good on the charity attempt.

Raudabaugh's basket following a quick breaking maneuver which traveled the length of the floor, ran the count to 13-8, but here the Bucks stopped. Rosenthal and Suesens counted free throws and when Rosenthal made good on a long one the visitors were but one tally to the bad. Van Ysseldyk took care of this on a dribble-in shot shortly before the intermission.

Dye Scores Twice In Last Minute of Play

Stubborn Quaker Team Yields After Hard Game; Victory Is Eighth for Ohio State in 10 Starts; Scarlet Crew Enjoys 19-15 Lead at Half.

PHILADELPHIA, PA., JAN. 25.—Ohio State's Scarlet clad Buckeyes pulled one out of the fire here tonight when "Tippy" Dye scored two goals in the last minute to help beat a tenacious University of Pennsylvania team, 41-37.

A howling crowd of 6000 saw Ohio come from behind time and again in the last 10 minutes of furious action to gain their eighth victory in 10 starts. The invaders led at half time, 19-15.

State started slowly in the opening 20 minutes, frequently missing what seemed sure goals. But once it got the range of the basket and began to function on all five, it outclassed the opposition and came from behind a 9-4 deficit to pull out in the van 19 to 15 at intermission.

Both Teams Improve

And as later events proved State's four points advantage decided the game. Both fives, playing much better ball in the final chukker, scored 22 points in a last wild 20 minutes.

"Tippy" Dye, an elusive speedster, whose lightning-like dashes hither and yon on the palestra boards amazed the crowd, was the spark that lighted the victory fuse for the Buckeyes.

He was colorful and artful throughout the really went to town when the going was the hottest.

test. In the last two minutes Pennsylvania, after one of its numerous rallies, had pulled ahead to a 37-31 advantage and it seemed all over but the shouting.

Jim McDonald, back in action after a rest, split the cords from scrimmage, center Earl Thomas did the same and McDonald repeated to send the game into 37-all deadlock.

Dye Comes Through

Then as the contest went into the final minute Dye came to the fore. He broke away cleverly from his guard for a lay-up goal and 30 seconds later, just three seconds before the gun boomed, did it again and State had won a notable victory.

Dye and Capt. Warren Whitlinger tied for high scoring honors for the winners with 10 points each.

Nine men saw action for the Buckeyes with Bruce Laybourne doing the best work among the subs. He tallied eight points.

But high point honors for the night went to Capt. Franny Murray of Pennsylvania. In scoring 14 points, Murray was the brightest star in the losing cast, playing one of his best games.

WASHINGTON, Jan. 27.
—Ohio State's cagers took their worst drubbing of the season here tonight, losing to George Washington, 45 to 23. Previously the Ohioans had been whipped only twice, the largest margin a nine-point setback by Purdue, and had included George Washington among their victims, beating the Colonials a month ago in Columbus.

That licking is the only one taken by George Washington, which has won eight straight contests since the defeat by Ohio.

OFF LIKE A FLASH!

George Washington had its scoring habits on from the outset tonight, getting away to a furious start and rolling up 14 points before the visitors tallied midway in the first period.

Ohio trailed 26 to 10 at half time and the Colonials soon ran it to 30-10. Here Ohio put on its single sustained spurt that netted six points before George Washington tallied again.

Kiesel, slender tall center got the tipoff on almost every center jump and his defensive work around the basket was excellent. He led all sharpshooters with 14 points. So close was the colonial guarding that Ohio was forced to make most of its shots from a distance.

IRON MEN.

George Washington played its starting five all through the first half and substituted only late in the game.

Scarlet Surprised With 42-21 Setback By Gopher Quintet

Minnesota Displays Ace Zone Defense And Basket Eye
In Upset Win; Thomas Leads Buck Scorers.

By DICK WILLIAMS

Disappointed but not disheartened after Saturday night's 42-21 setback at the hands of Minnesota, the Buck basketball brigade is at Lafayette tonight to meet the league-leading, and apparently unstoppable Purdue cagers in a return meeting at the Boilermakers' fieldhouse.

Victims of a 36-27 defeat earlier in the season at the Coliseum, Olsen's charges enter the return tilt as the underdogs, a position which is not without its advantages, inasmuch as Captain Whitlinger and his running mates will be all the more anxious to give Purdue its first Conference setback.

In attempting to halt Bob Kessler, the Boilermakers' star scorer, the Bucks are grimly intent on providing a close-knit defense to check the scoring chances of the entire Hoosier state quintet as well.

A virtually airtight zone defense, and a keen basket eye enabled Minnesota to pull another of its growing list of upsets over Big Ten foes Saturday night, as the Bucks found themselves experiencing perhaps their most devastating off-night on the home floor this season.

For only an all-too-short time during the early minutes of the game did the Scarlet hold the lead. Whitlinger popped in a short bunny shot from near the basket to open the scoring, but Roscoe tied it with one of his one-hand push heaves. Free throws by McDonald and Jones prolonged the tie, then Dye flipped in a basket, but Jones annexed a free throw, and then batted in a rebound, and the Gophers took the lead which they never thereafter relinquished.

Throughout the first half the Bucks seemingly unable to penetrate the Gopher's defense were reduced to taking rather futile long shots from the floor, which Minnesota proved adept at recovering on the rebound, and at the halfway mark the Gophers held a 21 to 9 lead.

Attempting a comeback in the last half, Whitlinger with a splurge of speed broke away from his man and flipped in a basket from the side. Then Roscoe sank a basket, while teammates Seebach and Rolek added free throws. Undaunted, Thomas made a basket and a foul, but Baker and Barnum, who had replaced Seebach, added another counter and free throw to increase Minnesota's lead to 28-14, and shortly thereafter a horde of substitutes from both sides entered the game.

While Whitlinger was held to four points, Thomas became the Buck's high-point man for the evening with 11 tallies.

The contest was roughly played throughout, with both McDonald of the Scarlet and Seebach of the Gophers being ejected via the personal foul route.

Bucks Back In Form; Trounce Minnesota 44-28 On Road Tour

MADISON, Wis., Feb. 10.—After making a complete reversal of form by overcoming Minnesota's Gophers with surprising ease to the tune of 44-28, a rejuvenated Scarlet basketball team was resting here today in preparation for tonight's battle with Bud Foster's Badger quintet.

Wisconsin fresh from a 28-24 victory over Butler will be endeavoring to reach a .500 per cent rating in the conference as

it now stands in seventh position with two wins and three losses. If the Bucks can conquer the Badger forces that will give them a tie in the standings with Michigan for fourth place.

Against the Gophers the Bucks came out of their slump and put on a furious display of offense that had the Minnesota players and fans alike speechless.

After Minnesota had handed the Scarlet team a very decisive beating at Columbus two weeks ago, most of the 4000 fans turned out to watch their favorites administer a second plastering.

Check Gopher Defense

But Coach Olsen's men held the Gopher offense bottled up during the entire first half and in return did enough scoring of their own to make the game run on even terms during the first stanza, which ended by the Bucks going ahead 14 to 9.

The beginning of the second half saw the Scarlet team really put on a scoring drive that finally shook the stubborn Gophers from the embarrassing position of being just a bit behind.

Minnesota also came out after the rest period with a do or die spirit and managed to catch the Bucks, but the loss of Dick Seebach spoiled the hopes of Coach Dave MacMillan's squad.

Raudabaugh Out on Fouls

Raudabaugh was lost to the Scarlet team by the foul route in the first half and this important cog was missed in the defensive machinery, but once the second half rampage got going the Olsen-coached quintet relentlessly piled up points ending in a final big rally which gave them such a large margin at the end.

Thomas, Dye, and Laybourne led the Bucks to the victory. Dye counting three baskets and six free throws for a 12-point total, while Thomas tossed in five fielders and Laybourne connected with four and two fouls for 10 markers.

Interesting to note were the two distinct brands of ball played by the Bucks in the two halves. They spent the opening 20-minute canto solving the offense of the Vikings and then of stopping it. In the second half they opened up a fast-breaking game that netted points.

A shift in the lineup was also noticed as the diminutive Dye was used at forward shifting the larger McDonald back to a guard spot.

Bucks Lead At Half But Cardinals' Spurt Nets 34-25 Verdict

Fuller Leads Attack Which Erases 18-13 Advantage At Intermission; Whitlinger Leads Bucks With 10 Points.

MADISON, Wis., February 11.—H. G. Olsen's Scarlet and Gray court men were forced to take an even split in their road trip just ended, when Bud Foster's Wisconsin Cardinals overcame a first-half deficit and continued on to a 34-25 win over the Buck quintet Monday night. The Scarlet had previously defeated Minnesota 44-28 at Minneapolis Saturday night.

A total of 34 fouls were called during the contest, making it one of the roughest games the Bucks have played in this year.

Although they held an 18-13 margin over the Badgers at the half, the Scarlet reckoned without sharp-shooting ability of Gordon Fuller, Badger forward who led the Cardinal assault in the closing minutes of the first period with three field goals—an assault which didn't let up until the game was safely on ice.

With 14 minutes of play yet remaining, the Bucks relinquished their lead and went into the stretch trailing 22-21. From that point on the Badgers turned on the heat and were never again in danger.

Captain Warren Whitlinger did best for the Scarlet in a scoring way, getting three field goals and four fouls for 10 points, while Lee Mitchell paced the Badger attack with 11 points.

Many called it an unexpected surprise, but the more ardent members of the Buck sports clan had an intuition that it was nearly time for the Scarlet court men to do an about face, and a complete reversal of form it was, as Captain Whitlinger and company blasted Indiana's hopes for a cut in the Conference title with a stunning 43-34 victory at the Coliseum Saturday night.

The Hoosiers fought gamely to avert defeat after seven straight wins in Conference play, but a fighting, determined Scarlet quintet gained the lead near the opening of the game, and despite several desperate Indiana rallies, held grimly onto the point advantage throughout the duration of the contest.

Captain Whitlinger added to his high scoring record of the season with 16 points counted on six baskets and four free throws, and Earl Thomas undaunted by the imposing 6-foot 7-inch frame of Fred Fechtman playing opposite to him at center, marked up 12 points on five field goals and two charity throws.

Dye Checks Hoosier Ace

Tippy Dye had Ken Gunning, star scoring Hoosier co-captain, virtually shackled, as he held him to one basket and five free throws. Raudabaugh checked Stout and Etnire with one basket between them, and McDonald showed considerably improved form at a forward position.

By half-time the Bucks had accumulated a 19 to 13 lead, but shortly after the last half opened the Hoosiers crept up, following a free throw by Gunning, a pair of rebound shots by Fechtman and Walker, and a field goal from out on the floor by Huffman. At this point Indiana was as close to heading the Scarlet as at any time in the game, the score being 23 to 20.

Here Tippy Dye, enjoying one of his best nights as far as a deadly basket eye was concerned, flipped in two counters from the side of the floor in surprising succession to increase the Bucks' lead again.

Fechtman Eludes Thomas

Fechtman, held to one basket in the first half, managed to elude Thomas a bit better in the final canto, and slipped in three two-pointers from a choice position under the basket, where he had little else to do than raise his arms, and give the ball a short toss.

With the score at 38 to 30, Stout made Indiana's last attempt when he jolted one in from mid-floor, but Whitlinger spun through the Hoosier defense twice to chalk up two more baskets and Dye concluded the Scarlet's scoring with a free throw, while Platt flung in a goal from the side of the court for Indiana.

Both teams took 54 shots from the floor, with the Bucks tallying 17 to the Hoosiers 11. Indiana always effective on free throws made 12 out of 15, while the Scarlet were close behind with nine out of 13.

All in all it was as satisfying a victory as the Bucks have garnered in quite some time, and sufficient evidence in itself of what ace teamwork can do.

Whitlinger Counts 9 Points, Dye 8; Wesleyan Quintet Shines In Passing And Defense Game.

By DICK WILLIAMS

In an attempt to win their third victory in four years over the Scarlet, Ohio Wesleyan's swift passing quintet came down from Delaware Monday night full of plenty of fighting spirit, but Big Ten opposition proved a bit sterner than the best in the Buckeye Conference, and the Bucks annexed a rough and fast played game 31-20 from the Battling Bishops at the Coliseum.

The Bishops displayed a dandy passing game, and a defense which held the Scarlet forces fairly well in check for the first half, but Earl Thomas' superiority at the center jump, and the Bucks' ability to invariably take the ball on the rebound, made the last half more one-sided as the Bucks found way through the Wesleyan defense more easily.

Dye's Play Outstanding

Stark scored first for Wesleyan early in the game with a shot from near the foul circle. Shortly after, Tippy Dye, giving an example of the ace floor game he was to display all evening, caught a long pass, and tossed in a counter from beneath the basket. Two fouls by Dye and a bat-in shot by Thomas gave the Scarlet the lead, and although the count was tied at four, six and eight points, the Bucks were never headed the rest of the game.

At the half the Bucks held a 13-11 advantage.

Almost immediately after the second half opened Raudabaugh flipped in a basket, Thomas made a foul, and then catching a long pass covering the length of the floor, dumped in another two-pointer to increase the Bucks' lead to 18-13, as the Red and Black counted one goal.

Bishops Don't Follow Up

The Bishops' inability to follow up the ball proved costly as Whit-

linger and Laybourne, who came in to replace McDonald, each scored five points in the last half.

The Wesleyan quintet seemed unable to get its plays clicking, and thus the Bucks pulled ahead until they held a 30-14 lead. Here George, Crowe, Wasylik and others were put in, and the Bishops managed to augment their points to 20, before the game ended.

Tippy Dye displayed one of his best exhibitions of the season in efficient guarding and marking up three baskets, which doubtlessly would have been larger if not for the careful checking on the part of the Bishops who at times used two men to see that Tippy didn't get too far with the ball. His work marks him as the probable successor to Captain Whitlinger next year.

Clovis Stark, Wesleyan's star scoring threat, was held to two baskets and a foul for a total of five points.

Bucks Lose, 30 to 29, In Hard Fought Game

Olsen Five, Trailing at Half Time, Puts on Spurt Which Fails Due to Failure on Free Throws.

By Irven C. Scheibeck

OHIO STATE'S basket-ball team wasn't quite equal to the task of lifting itself to victory via the bootstrap route Saturday night and lost its final home game of the season to Illinois by a 30 to 29 score when a frantic last half drive fell short.

Almost hopelessly distanced when Illinois ran up a 23 to 8 lead midway of the first half, the Bucks started a terrific counter attack with eight minutes remaining after Illinois had lost its star center, Bob Riegel via the personal foul route.

Just when victory was in the grasp, however, they lost Captain Warren Whitlinger on personal fouls, and in the final 30 seconds, no less than five Buckeye shots at the basket went bad to enable the Illini to protect their slender one-point margin.

From the basket-ball standpoint, the game wasn't so good but the thrilling windup enabled a crowd of 5539 to forget some of the less entertaining moments.

The victory was Illinois' seventh and the defeat Ohio's sixth in 11 starts.

Illinois owes its triumph to its ability to sink free throws. Both teams connected for 12 baskets in almost the same number of shots, 54 for Illinois and 56 for Ohio State, but whereas, the Illini were caging six out of 11 free throws, Ohio was making but five out of 14 from charity lane. Whitlinger had a particularly bad night in this respect, making good only one of five tosses.

The game reached its lowest ebb shortly after the start of the second half. Illinois held a 25-14 edge when play was resumed after the intermission and the first 11½ minutes of battling produced seven points altogether, Ohio getting four on baskets by Thomas and McDonald and Illinois three on Braun's free throw and Combes' basket.

Things started to happen as soon as Riegel went out however. With the score at 28-18, Ohio drew close for the first time on Laybourne's free throw and long shot basket and a smashing follow shot by Whitlinger. When Thomas scored after receiving a pass from Whitlinger, the Bucks were only three points to the bad.

However, Laybourne was jerked at this point and the Ohio drive lost some of its momentum. Swanson counted a free throw after being fouled by Thomas and repeated on another chance for what proved to be the winning point after being fouled by Whitlinger. This finished the Ohio captain and brought Laybourne back as his substitute. It still looked as though the Bucks might come through when Raudebaugh drilled two shots through the hoop. One after a dribble half the length of the floor and another on a long shot. However, the last half minute produced no further scoring action.

Until they lost Riegel, Illinois dominated the tip-offs and rebounds and this had a great deal to do with their marked superiority in the first half. Once the visiting center was forced to take a walk, Ohio profited to the extent of obtaining almost all of the remaining jump balls at center.

The teams battled on even terms for the first few minutes being deadlocked at 5-all on Whitlinger's free throw and baskets by Thomas and McDonald for Ohio which matched goals by Henry and Vopicka and Combes' free throw for the invaders.

Then Ohio pulled into a 8-to-5 lead on Dye's charity toss and Whitlinger's goal which followed a driving dribble through the closely knit Illinois defense.

Ohio didn't score another point until Illinois had run its count to 23 with a bewildering attack in which the superior height and the deadly long-shooting ability of Craig Ruby's pupils was utilized to the utmost.

In this Illinois spurt, Henry sank two baskets, Riegel three, Vopicka two and Combes one, most of the Illinois attempts being either long shots or rebounds which they corralled because of their superior height.

Ohio finally got going again on free throws by Thomas and Raudebaugh. After Riegel had sent Illinois' count to 25, Whitlinger ended the half by two baskets, one a long shot and another a push type effort.

INDIANA SURE TO GET TIE

Final Score Is 40 to 34;
Tippy Dye Put Out
In Last Half.

BLOOMINGTON, Ind., Mar. 2.—(AP)—Indiana University's basket ball team blasted its way to a 40-to-34 victory over Ohio State here tonight to assure itself of at least a tie for the Big Ten championship.

Purdue can tie the Indians by beating Michigan Saturday at Ann Arbor. The Hoosiers finished their season with 11 Big Ten victories and one defeat.

GAME FAST, ROUGH.

Tonight's game was fast and rough throughout and Dye, Ohio guard, went out on fouls midway in last half.

Vernon Huffman led his team to victory scoring 12 points and he opened the way for many shots by his fast foot work.

Whitlinger, forward, and Thomas, center, kept Ohio State in the running by their fast breaking tactics. Thomas led his team's scoring with 12 points while Whitlinger got 11.

Indiana's alert defensive saw them through after Ohio had come within three points of tying the Hoosiers with three minutes to play.

A crowd of 6400 persons jammed the field house to see Indiana win the championship of the Big Ten for the first time since 1928 when the Hoosiers tied with Purdue for the title.
